JUST AS HERE—WIRTHMOR WAISTS ARE EVERYWHERE MEETING WITH A WONDERFULLY SUCCESSFUL SALE

New Models on Sale Today WIRTHMOR WAISTS, \$1.00 WORTH MORE

It does concern us much that Wirthmor Waists are meeting with such admirable success everywhere; for as a result of this continually growing volume, the standard of these excellent Waists is being continually raised. The remark is very frequently heard here, that the models in the new shipments, as they arrive, are even prettier and more appealing than any that have gone before, and many people have accustomed themselves to come in repeatedly, to see the new offerings, just as soon as they make their appearance in our store.

The models that go on sale tomorrow are quite as pretty as any we have yet seen, and we know will sell most readily.

No. 1-7. This waist has a convertible collar and can be worn either high or low. It is made of Voile, with collar and cuffs of fine organdy. Front is prettily embroidered, seams are hemstitched and large pearl buttons used.

No. 1-8. So new and very pretty is the material here used—a fine corded Voile—that but little trimming is required to make of it a very effective model. A dainty touch of embroidery on collar and small pearl buttons suffices.

WIRTHMOR WAISTS ARE SOLD HERE EXCLUSIVELY
